President's Column

By Bruce Dawson

As we move into the heat of summer, we look to cool off at the annual Ski Club Lake Party set for Saturday, August 16th. This year we have invited the Oklahoma City Club to join us to double the fun.

Of course winter is just around the corner, and Winter Trip Chair **Georgenia Van Tuyl** has put together a great schedule of ski trips beginning in late December. This year's schedule features three fly-out trips to Sun Valley, Whistler/Blackcomb, and Lake Tahoe, in addition to the European trip to Northern Italy set for mid-April. Due to the timing of the airline reservations and ticketing, we are signing up for these trips early. You can check with the Trip Captains, contact Trip Assistant **James Carpenter**, or complete and download your trip application form at tulsaskiclub.com before sending it to **James**.

The highlight this coming ski season will be the Flatlands Ski Association trip to Copper Mountain, CO. We will take two buses full of skiers, boarders, and snowshoers to defend our title as the #1 Club in the region for the third year in a row! Be sure to contact Trip Captains **Anita Greiner**, FSA Rep, or **Evan Elsberry** for more information. This year's Copper Mountain trip looks to be the best skiing and party atmosphere, as well as the best value of the season.

At press time, I am working on the European trip to Northern Italy. I have selected three different regions – the Lake Maggiore/Piedmont region near Switzerland, the Ligurian Riviera on the Mediterranean Sea, and the Tuscany region south of Florence. Pricing is yet to be finalized; however, we have created a list of those who would like to go on the trip. If you are interested, please give me a call. Like last year, this trip may sell out soon!

Make sure to put the date **Sunday, September 14th** in your schedules. This year's **Sign-up Picnic** should be fun and exciting... a great time to invite guests to see what the Tulsa Ski Club is all about.

MS 150 Rest Stop

Recruiting is now underway for volunteers for the Ski Club MS 150 rest stop on the weekend of September 13-14. As a philanthropic club this is one of many ways we give time to our community. Working a rest stop helps keep cyclists safe as they ride 150 miles raising money for the Multiple Sclerosis Association, and it's also a great deal of fun! Our group is known by all the cyclists, and we have earned the "Best Rest Stop" award several years in a row. We're known as the Cycle S.L.U.T.S. (sexy ladies under t-shirts) and have become masters at entertaining and pampering the cyclists. The club no longer fields a cycling team but has several members who do the ride to raise money for MS. There will be a new route this year overnighting in Pryor. Anyone willing to volunteer can call Barb at 369-2917 or email her at bdelozier2@cox.net. She will provide more information as it becomes available, but asks people to mark their calendars.

Extended Skiers' Night Out (& Pig Roast)

It was a relaxing Saturday afternoon at **JoAnn** and **Ken's** home. The afternoon was perfect to swim, relax under the shade trees, drink a favorite beverage, and enjoy lots of good food and fun. The Extended Skiers' Night Out Pool Party has become a Tulsa Ski Club tradition and as usual, **Ken Gowriluk** and **JoAnn Huber** were gracious to open their home and pool to the club for this event. About 65 Tulsa Ski Club members and guests gathered. The 90-plus degree weather made the pool a popular spot, especially for **Brendan Elsberry** and his friend **Bo**. These guys played hard, but had lots of energy left to pitch in and help with the clean up. A couple of strong dudes! **JT** and **Jacob Hart** were there too among the other teenagers enjoying the pool. Many of the club members took advantage of the sparkling pool and enjoyed swimming and splashing about.

Chuck Harrington, Social Chair, spearheaded the event. **JoAnn Huber** decorated the yard in a western theme. Thanks to all the volunteers pitched in to get things ready. **Dottie** and **Bill Millis** worked on the set-up and the clean-up. **Sunni Wager** helped throughout the day. **Jim** and **Barbara Constantine** stopped by to visit, and of course, **Jim** couldn't resist telling a few of his well-known stories and jokes.

Race Chair, **Justin Sanwick**, General Manager of the Ale Haus at the Jenks Riverwalk and Budweiser, graciously provided the keg of beer, which was a popular spot under the trees. Various members "volunteered" to sit near the keg to assist with hospitality and beer dispensing duties. **Evan Elsberry** provided the keg tap and keg barrel. New member **CJ Smith**, a former Omaha Ski Club Flatlands racer, was there to meet our members and is looking forward to skiing with us this year. New member **Bill Owen** was also there to get to know our club.

Lowell Whitlock remembered a conversation, probably over too much wine, when **Ken Gowriluk** and **Lowell** agreed to pit barbeque a pig. **Lowell** persisted, and they dug a big pit in **Ken** and **JoAnn's** backyard. They wrapped the suckling pig in banana leaves and roasted Mr. Piggy for 18 hours. All waited with curiosity as Mr. Piggy was dug from the pit. **James Carpenter** graciously carved the meat. It was "fall-off-the-bone-tender". Mr. Piggy was tasty and enjoyed by all. **Lowell** and **Ken** said that they tried this because it was something that they never did before and just wanted to know if they could do it. Maybe next year it will be a

buffalo.

Thanks also to **Kristin Huber**, **Evan Elsberry**, **Chris Gavin** and **Anita Greiner** for helping with the cleanup.

Don't forget the next opportunity to enjoy more Tulsa Ski Club summer fun will be at the **Lake Party** on **August 16th**. Sign up and pay by Friday, August 8th.

Remember – you can always check the Tulsa Ski Club website for all the latest information on trips, social activities, and membership.
